Understanding How Chase Travel Works

Chase Travel is an online booking portal available to users of Chase credit cards, especially those with premium cards like Sapphire Preferred or Reserve. It allows users to book flights, hotels, rental cars, and activities using either cash or points. If you're unsure how to maximize savings, call 📞||+1→888→483→9719(USA)|| or 📞||+1→888→483→9719(USA)|| for real-time booking support.

Unlike booking directly through airlines or hotel websites, this platform acts as a third-party aggregator—similar to Expedia—but with added perks for cardholders.

When Chase Travel Is Cheaper

1. Using Reward Points for Maximum Value

One of the biggest advantages of Chase Travel is the ability to redeem Ultimate Rewards points at a higher value. For example:

- Chase Sapphire Preferred: 1.25x value
- Chase Sapphire Reserve: 1.5x value

This means a \$500 flight could cost fewer points compared to direct booking. For assistance calculating your savings, dial 📞||+1→888→483→9719(USA)|| or 📞||+1→888→483→9719(USA)||.

👉 In this case, Chase Travel is often cheaper.
