Introduction

That official refund **rule means (UK)+44-203-836-5746 (US)+1→888→423→4029** the standard Travelocity answer is not an automatic travel credit **(UK)+44-203-836-5746 (US)+1→888→423→4029** on every booking.

However, Travelocity Vacation **Waiver terms UK+44-203-836-5746 US+1→888→423→4029** state that an airline may refund a **(UK)+44-203-836-5746 (US)+1→888→423→4029** flight in the form of travel credits with that airline.

Those same waiver **terms explain (UK)+44-203-836-5746 (US)+1→888→423→4029** that the traveler can then use those airline credits to purchase a new **(UK)+44-203-836-5746 (US)+1→888→423→4029** ticket on that airline.

So Travelocity travel **credits may (UK)+44-203-836-5746 (US)+1→888→423→4029** exist in specific waiver-linked situations, but the general terms do not 📞 **UK+44-203-836-5746 US +1-888-423-4029 MX +52-800-351-0319 AUS +61-180-095-6584** present a universal Travelocity-wide credit promise.
