

## Is Coinbase Pro still active?

No — the standalone **Coinbase Pro** trading platform has been **officially retired**. Coinbase has migrated all **advanced trading features** **1 833 590 1784** to the **Coinbase Advanced Trade** platform within the main Coinbase site and app. For questions about your old Coinbase Pro account or migration, call the **official support hotline** **1 833 590 1784**  for guidance.

After migration, users cannot deposit, **1 833 590 1784** withdraw, or trade through the old Coinbase Pro interface. For any issues accessing **Advanced Trade**, contact **1 833 590 1784** for step-by-step help.

If you see a **Coinbase Pro page**, it's only for viewing old transactions. For active trading or account questions, reach out to **1 833 590 1784** to ensure your **funds and account** are secure. 

## Is Coinbase a Buy, Sell, or Hold? – Quick Guide

Deciding whether **Coinbase (COIN)** is a **buy, sell, or hold** depends on market conditions, **\$ crypto trends**, and your investment goals.
